REQUEST FOR PROPOSALS (RFP) TO PURCHASE AND REMOVE THE HISTORIC “WINSOR BLACKSMITH SHOP” BUILDING

INTRODUCTION

The City of Milpitas Redevelopment Agency (Agency) is seeking a buyer to purchase and remove the historic “Winsor Blacksmith Shop” building, currently located at 116 North Main Street in Milpitas, Santa Clara County, California. The Agency is **not** offering any land, real property or real estate for sale. The sale and removal of the “Winsor Blacksmith Shop” building (hereinafter referred to as Shop), is subject to certain restrictions, covenants and requirements indicated below and in the attachments and exhibits. Time is of the essence, particularly because clearing the Real Property, upon which the Building sits, is necessary to prepare the site for construction of a new library and parking garage.

BACKGROUND

City of Milpitas

The City has a population of approximately 65,000 and is located in the Silicon Valley, between the cities of San Jose and Fremont. Growth was experienced immediately after incorporation in 1954, when the population was 825. As the population has grown, it has become more diverse. Today, over 50 languages are spoken amongst Milpitas residents, making the City one of the most diverse in the nation.

North Main Street Development Projects

The North Main Street Development (NMSD) is comprised of a number of individual projects including:

- *City of Milpitas Public Library* This project involves design and construction of a new 60,000 square-foot library, including the rehabilitation and restoration of an historic grammar school building. The library is being designed by Group 4 Architecture + Planning. Schematic Design has been approved. Design Development is underway.
- *Midtown East Parking Garage* This project involves design and construction of structured parking to serve the new Library and other Midtown uses. The Midtown East Parking

Garage is being designed by Chong Partners. The conceptual design is complete and schematic design is underway.

- *Streetscape, Circulation and Utility Improvements* The streetscape in the area will be reconstructed to the Midtown Streetscape, which calls for pedestrian-friendly sidewalks with trees, and decorative lighting and signal standards. To support the new streetscape, new utilities are being installed. Streetscape improvements include North Main Street from Weller Lane to Carlo; new landscaped driveways to the East Parking garage, a new Cul-de-Sac at the northern terminus of Winsor Avenue, Carlo from Main to Winsor, and Weller Lane from Abel to Main Street. The public right-of-way on the northern portion of Winsor Avenue and the eastern portion of Weller Lane are being vacated. Construction of the utility improvements has begun on portions of the former Weller Lane, Winsor Avenue, and a City parking lot beneath SR 237/Calavares Boulevard. The design of the rest of Main Street utilities is nearing completion by Harris & Associates. The streetscape design by BKF is underway.

The North Main Street Development projects are further described in a CEQA Environmental Impact Report, which was certified by the City Council on January 4, 2005. This report is available for download on the City's website. The site is located in the Redevelopment Agency area and within the Midtown Plan area of the City of Milpitas in Santa Clara County, California.

Winsor Blacksmith Shop Sale and Relocation Information

On August 2, 2005 the City's Redevelopment Agency acquired real property, consisting of two parcels (Assessor's Parcel Numbers 28-24-026 and 28-24-020) at 116 North Main Street, for the construction of the City's new Library and Midtown East Parking Garage. All structures on the newly acquired property must be removed and the site cleared for construction. The property contains the former "Winsor Blacksmith Shop" building built in 1926.

The Shop consists of the original Blacksmith Shop building, several major additions, and a tank house. The general dimensions are approximately as follows:

<u>Component</u>	<u>rough size</u>	<u>rough area</u>	
Original Blacksmith Shop	32' X 60'	1920	Square feet
South Addition	30' X 55'	1650	Square Feet
East Addition	32' X 21'	672	Square Feet
Connector		292	Square Feet
<u>Tank House</u>	<u>14 X 14</u>	<u>196</u>	<u>Square Feet</u>
Total aggregation		2730	Square Feet

The Shop is generally wood frame construction with vertical wood siding, and large rolling wooden doors. The roof consists of built-up wood trusses, covered with metal sheathing. The Shop currently sits on concrete perimeter foundations, with a concrete floor.

Proposals for purchase and removal of the entire Shop building are preferred. However, a proposal to purchase and remove one of the components may be considered.

Several of the exterior wood siding boards have historic marks from brands fabricated at the Shop. The City will retain these boards along with other historic features unless the proposed end use provides suitable public display of these historic relics.

The Environmental Impact Report for the North Main Street Development project found that the Winsor Blacksmith Shop meets the definition of a historical resource under the California Environmental Quality Act (CEQA), and included several mitigation measures:

- After property acquisition, the City shall offer the Winsor Blacksmith Shop for purchase to be removed from the property at buyer's expense and transferred to a new lot within Milpitas. Title to the building shall be transferred subject to a covenant that requires preservation of the building's historic features.
- If no bids are received or if building relocation is not feasible, the City will produce a full set of Historic American Building Survey (HABS)-style photo documentation, a history of the Winsor Blacksmith Shop, and a brochure; and salvage architectural elements and boards with brands from the building and incorporate them into a display.

Said policy shall include, but not be limited to coverage for the omissions and supervisory acts of the City, its officers and employees, and in accordance with the provisions set forth in the Sample Agreement.

Said policy shall also provide that the coverage afforded thereby to City, its officers, engineers and consultants, and employees, is primary coverage to the full limit of liability stated in the Declaration, and if the City, its officers or employees have other insurance against loss covered by said policy, said other insurance shall be excess insurance only, and that City, its officers and employees are not precluded from claims thereunder against other insured parties.

Comprehensive General and Automobile Liability:

General & Automobile Liability	\$1,000,000 per person \$1,000,000 for each occurrence

The Buyer must agree to and shall hold City and its Redevelopment Agency, its elective and appointive boards, commissions, officers, agents, registered volunteers, and employees harmless from any liability for damage or claims for damage for personal injury, including death, as well as from claims for property damage and any other claims of any sort whatsoever, including, but not limited to, any liabilities, claims, losses, or expenses in any manner caused by, arising out of, or in connection with, either directly or indirectly, the construction or installation of the work, the guarding of the work, the use of improper materials in construction of the work, or the negligent, willful, or intentional acts or omissions by Buyer or Buyer's subcontractors, agents, or employee operations under this Agreement, whether such operations by Buyer or by any of Buyer's subcontractors, or by any one or more persons directly or indirectly employed by, or acting as agent for Buyer or any of Buyer's subcontractors during the progress of the work or at any time before its completion and final acceptance, excepting suits and actions brought by the Buyer for default of this Agreement or arising from the sole gross negligence or willful

misconduct of the City or Redevelopment Agency. The City Council may retain monies as shall be reasonably necessary to protect the City, until disposition has been made of such suits or claims for damages as aforesaid.

The Buyer agrees to and shall pay City's and or Redevelopment Agency's cost of defense (or, at the sole option of the City, Buyer shall defend with counsel approved by the City Attorney) and indemnify City and Redevelopment Agency and its elective and appointive boards, commissions, officers, agents, and employees from any suits or actions at law or in equity arising out of the execution, adoption or implementation of this Agreement (exclusive of any such action brought by Buyer), such indemnification to include all costs of defense, judgments, and any awards of attorneys' fees.

Should any accident or incident causing death, personal injury or property damage occur between the date Buyer is notified that its General Liability and/or Workers Compensation Insurance is canceled and the effective date of such cancellation, Buyer's obligation to indemnify, defend and save harmless the City and Redevelopment Agency, as provided for hereinabove, shall in no manner be affected by the fact that the City and/or Redevelopment Agency had not received the notice of cancellation prior to the date of such accident or incident.

The Buyer must comply with the following eligibility requirements:

- Identify the key personnel who shall be available and responsible to complete each of the tasks in the schedule and required by the agreement.
- Identify the receiving real property, where the Winsor Blacksmith Shop building will rest, along with the name of the owner and the owner's consent to receive and covenant the property.
- Buyer shall agree to execute the Winsor Blacksmith Shop purchase and removal Agreement (Exhibit B). This agreement contains indemnification provisions that require the Buyer to indemnify and hold harmless the City against any and all liability, as indicated in the Sample Agreement.

The following is the selection process to be used for determination of the most qualified Buyer:

C. The Seller must remove the Building and clear the site for its planned construction of a new public library and parking garage, which are also covered under the EIR document. The seller offered the Building for sale and removal by advertising a Request For Proposals.

NOW, THEREFORE, IN CONSIDERATION of the mutual covenants, promises and undertakings set forth herein, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Agreement to Sell and Purchase. 4. Title Documents. Within ten (10) days of the removal of the Building from Seller's land, Buyer shall deliver or cause to be delivered to Seller a recorded covenant on the Buyer's Real Property, where the Building will rest, that protects the Building's historic features.

Failure by the Buyer of any of the following shall terminate this agreement: (1) Obtain a Building Permit from the jurisdiction to which the Building shall be reset; or (2) to remove the Building by the required dates as contained in this Agreement.

Buyer or Seller shall have the option to terminate all rights or obligations under this Agreement upon written notice to the other, until the Building is removed from Seller's Real Property.

Should any of the conditions fail to occur by the dates specified, excepting any such conditions that have been waived by Seller, Seller may terminate this Agreement.

8. Buyer's Additional Conditions. Buyer's obligation to purchase the Building pursuant to this Agreement are also conditioned on Buyer's inspection, examination, survey and review of the condition of the Building as described in subsections (a) and (b) below in this Section ("Due Diligence Conditions") during the Due Diligence Period (defined below) and Buyer's subsequent written approval of the Due Diligence Conditions within five (5) days of the end of the Due Diligence Period. The "Due Diligence Period" shall be the period commencing on the Effective Date and ending on the fourteenth (14th) day after the Effective Date.

- (a) **Feasibility Studies.** During the Due Diligence Period, Buyer may inspect, examine, survey and review the Building for its feasibility for Buyer's intended use, including, without limitation, the physical condition of the Building. Buyer may consult or retain civil engineers, contractors, soils and geologic engineers, architects and other specialists in the investigation of Hazardous Materials in, on or under the Building, and may consult or retain other consultants to determine if the Building is suitable for Buyer's intended use. Notwithstanding any contrary provisions contained in this Agreement, Buyer may elect to terminate this Agreement based on information obtained during Buyer's investigation of the Building or based on information contained in studies or reports provided by Seller. During the Due Diligence Period, Buyer shall have the right to perform due diligence regarding the investigation, assessment, and monitoring of the environmental condition of the Building, and upon completion of the due diligence period, unless Buyer elects to terminate this Agreement pursuant to the terms hereof, the Buyer will purchase the Building in its "AS IS" condition as such property condition exists on the date of the end of the Due Diligence period.

Should Buyer fail to approve in writing the Due Diligence Conditions by the date specified, excepting any such condition that has been waived by Buyer, Buyer shall have the right, exercisable by giving written notice to Seller, to terminate this Agreement. Buyer is solely responsible for all costs expended or authorized by Buyer and damages to Buyer in the case of termination of this Agreement. The exercise of this right by Buyer shall not constitute a waiver by Buyer of any other rights Buyer may have at law or in equity.

9. Studies, Reports and Investigations. Throughout the Due Diligence Period, Seller agrees to immediately make available to Buyer any and all studies, reports and investigations concerning the Real Property which are in Seller's possession, including without limitation studies, reports and investigations

Buyer shall schedule any such physical tests during normal business hours unless otherwise approved by Seller. Buyer agrees to indemnify Seller and hold Seller harmless from and against all liability, loss, cost, damage and expense (including, without limitation, reasonable attorney's fees and costs of litigation) resulting from Buyer's or Buyer's agents entry upon the Seller's Real Property, except to the extent that such liability, loss, cost, damage and expense arises as a result of the negligence or other wrongful conduct of Seller or its agents. Buyer shall obtain and pay all costs associated with inspections, reports, and investigations obtained by or at the request of Buyer.

11. Seller's Conditions Seller's obligation to sell the Building pursuant to this Agreement are conditioned on: (i) the performance by Buyer of each obligation to be performed by Buyer under this Agreement within the applicable time period, or waiver by Seller of said obligation; and (ii) Buyer's representations and warranties contained in this Agreement being true and correct as of the Effective Date of this Agreement.

14. Damage and Destruction. In the event of any total damage or other total loss to or of the Building, caused by fire or other casualty prior to the removal of the Building from Seller's Real Property, Buyer shall be entitled to terminate this Agreement.

15. Brokers. Each party warrants and represents to the other that no person or entity can properly claim a right to a real estate commission, brokerage fee, finder's fee, or other compensation with respect to the transaction contemplated by this Agreement. Each party agrees to defend, indemnify and hold harmless the other party from any claims, expenses, costs or liabilities arising in connection with real estate commissions, brokerage fees, and finder's fees which may arise from this Agreement and be incurred by the other party.

A. Definition: For purposes of this section of the contract, the following definition applies: "CITY" includes the duly elected or appointed officers, agents, employees and volunteers of the City of Milpitas and the City of Milpitas Redevelopment Agency, individually or collectively.

B. Insurance Required: No work shall be done under this Contract unless there is in effect insurance required by the Contract and under this section, and such insurance has been approved by the CITY, nor shall the BUYER allow any subcontractor to commence work on his subcontract until all insurance required of the subcontractor has been so obtained and approved. The BUYER shall maintain or cause to be maintained adequate workers' compensation insurance as required under the laws of the State of California, for all labor employed by him or by any subcontractor under him who may come within the protection of such worker's compensation laws of the State of California and shall provide or cause to be provided employer's general liability insurance for the benefit of his employees and the employees of any subcontractor under him not protected by such compensation laws.

The BUYER shall furnish satisfactory proof, by certificate or otherwise as may be required, that it has taken out public liability and property damage insurance with insurance carriers satisfactory to the CITY, and in such form as shall be satisfactory to the CITY to protect said BUYER and said CITY as an additional insured against loss from liability imposed by law from damages on account of bodily injury, including death resulting therefrom, suffered or alleged to have been suffered by any person or persons other than employees, resulting directly or indirectly from the performance or execution of this contract or any subcontract thereunder, and also to protect said BUYER and said CITY as an additional insured against loss from liability imposed by law for damage to any property caused directly or indirectly by the performance or execution of this contract or any subcontract thereunder, which insurance shall also cover accidents arising out of the use and operation of automobiles and trucks. Said policy shall include, but not be limited to coverage for the omissions and supervisory acts of the CITY, its officers and employees.

Said policy shall also provide that the coverage afforded thereby to CITY, its officers, engineer and consultants, and employees, is primary coverage to the full limit of liability stated in the Declaration, and if the City, its officers or employees have other insurance against loss covered by said policy, said other insurance shall be excess insurance only, and that CITY, its officers and employees are not

precluded from claims thereunder against other insured parties.

C. Comprehensive General and Automobile Liability: The BUYER agrees to obtain and maintain in full force and effect during the term of this Agreement comprehensive general and automobile liability insurance protecting Buyer in the amounts of coverage of not less than the limits shown below. Such insurance shall name CITY, as defined above, and as additional insured. Coverage shall be in accordance with the limits specified above and the provisions indicated herein. Claims-made policies are not acceptable. When umbrella or excess coverage is in effect, it must follow the form of the underlying coverage. Where the work includes a structure or structures subject to loss or damage by fire, the BUYER shall maintain or cause to be maintained fire insurance sufficient to protect against such loss or damage in full until the work is accepted by the CITY. Nothing herein contained shall be construed as limiting in any way the extent to which the BUYER may be held responsible for the payment of damages to persons or property resulting from his or her operations or operations of any subcontractor under him or her.

Proof of all such insurance shall be given by filing certificates of such insurance with the City Engineer prior to execution of the contract by the CITY.

D. Certificates of Insurance with Endorsements: The BUYER shall file the required original Certificate of Insurance with endorsements prior to the commencement of the work or event; it shall be subject to CITY's approval and shall clearly state:

F. Deductibles, Self-Insured Retentions, and Proof of Insurance: Prior to commencing any work under this Agreement, deductibles and self-insured retentions acceptable to CITY must be stated

on Certificates of Insurance, and the Certificate of Insurance must be approved by CITY.

G. Absence of Insurance: If the BUYER allows the insurance to lapse, be cancelled, or be reduced below the limits specified in this article, the Buyer shall cause all work in the Project to cease and any delays or expenses caused due to stopping of work and change of insurance shall be considered Buyer's delay and shall not be considered to increase cost to the CITY or increase time in which the Project shall be completed.

H. Insurance Companies: Insurance provided pursuant to this Contract must be from insurance companies admitted in California and rated at least A in Best's Insurance Guide; or such other insurance companies as are acceptable to CITY in its sole and unfettered decision.

18. Hold Harmless

The BUYER hereby agrees to and shall hold the City of Milpitas and the City of Milpitas Redevelopment Agency, its elective and appointive boards, commissions, officers, agents, registered volunteers, and employees, individually and collectively harmless from any liability for damage or claims for damage for personal injury, including death, as well as from claims for property damage and any other claims of any sort whatsoever, including, but not limited to, any liabilities, claims, losses, or expenses in any manner caused by, arising out of, or in connection with, either directly or indirectly, the construction or installation of the work, the guarding of the work, the use of improper materials in construction of the work, or the negligent, willful, or intentional acts or omissions by BUYER or Buyer's subcontractors, agents, or employee operations under this Agreement, whether such operations by BUYER or by any of Buyer's subcontractors, or by any one or more persons directly or indirectly employed by, or acting as agent for BUYER or any of Buyer's subcontractors during the progress of the work or at any time before its completion and final acceptance, excepting suits and actions brought by the BUYER for default of this Agreement or arising from the sole gross negligence or willful misconduct of the CITY. The City Council may retain so much of the money due to the BUYER as shall be reasonably necessary to protect the City, until disposition has been made of such suits or claims for damages as aforesaid.

The BUYER agrees to and shall pay CITY's cost of defense (or, at the sole option of the CITY, BUYER shall defend with counsel approved by the City Attorney) and indemnify CITY and its elective and appointive boards, commissions, officers, agents, and employees from any suits or actions at law or in equity arising out of the execution, adoption or implementation of this Agreement (exclusive of any such action brought by BUYER), such indemnification to include all costs of defense, judgements, and any awards of attorneys' fees.
